

# VALUES

**TITLE:** My week schedule

**AGE GROUP:** 9-11 y.o.

**DURATION:** 45 min

**LEARNING OUTCOME:** Enable learners to develop appropriate values, habits and attitudes when handling money

**KEY CONCEPTS:** Hard Work. Goal. Planning.

**LESSON DESCRIPTION:**

Start the lesson with a conversation with students on how they organize the working week.

Ask them how they prioritize their activities, what are criteria on how they decide on time allocation, what is the final outcome they expect.

After the conversation, have students fill their week schedule and allocate the time for particular goal.

Have student present their week schedule and tell others about how much effort and work they have to invest to achieve their goal.
